THE PROGRAM

We Often Forget About The People Shaping Our Youth. *The Extraordinary Teacher* Program Has Been Designed To Inspire, Motivate And Change The Lives Of Teachers As They Impact The Lives Of Our Youth!

WHO SHOULD ATTEND

- Headmasters
- All Teachers
- Coaches
- Anyone Working With Children / Youth

THE LEADING TEACHER

Leading teachers not only exceeds expectation when it comes to the learners' results, but they also know how to influence their fellow teachers to build a school with high standards. Without influence a teacher is only sharing information with not control over the outcome. (Based on John Maxwell's book "Leadership Gold") (2 hours)

CONNECTING WITH STYLE

Effective communication starts with connection, but to connect with others you have to do it with style. Teachers will learn the importance of style to increase the actual learning and retention of the information and to ultimately increase the learners' results. (Based on John Maxwell's book "Everyone Communicates Few Connect") (2 hours)

GROW YOURSELF FIRST

To add value to others, you have to add value to yourself first. If we are not life-long-students we will never reach our full potential or live our dreams. Growth does not happen by accident – you have to be intentional to grow yourself. (Based on John Maxwell's book "15 Invaluable Laws of Growth") (4 hours)

EVENT

- **8 Hours:** 1 Full day OR 4 x 2 hour sessions at a time convenient for the school and speaker
- **ONLY Available as an In-House Event:** Ensuring a leading team of motivated teachers
